

Dear Parent /Carer/ Teacher,

Your child has been invited to join a Cycle Training Course at Cycle 2008, Earls Court 1, London SW5 9TA. This agreement must be completed and returned to the cycling instructors on the 10th October 2008 before s/he can take part.

I, (full name of parent, guardian or teacher)	
Consent for my child (or the following child for whom I take responsibility) to take lessons in safe, effective cycling and related activities, which may include cycle maintenance and riding.	
full name of child	

I understand that:

- Bikes and helmets will be provided by 'Bikeability' for the duration of the training. CTUK's instructors will check bikes and helmets for fitting and damage and will advise if they are not suitable for a specific trainee.
- Cycle Training UK Ltd will not be held liable for any injury which it is established may have been prevented by the wearing of a helmet or any injury which it is later established may have been caused by the wearing of a helmet. The instructor will advise on the fit of a helmet, but will not necessarily be able to judge from its appearance if it is in good condition.
- I will tell Cycle Training UK about any medical condition my child has which may adversely affect the training.
- I should think about personal accident insurance for my child.
- Having taken training does not mean that it is safe for my child to cycle or fix a bicycle in all circumstances. To become a proficient cyclist or mechanic takes more practice than lessons of this kind can provide.
- My child may be photographed during this course and the image could be used in publicity for Cycle Training UK Ltd and the funding organisation.
- Cycle Training UK Ltd is not responsible for any injury, loss or damage not caused by an instructor, or which happens outside these lessons, including journeys to and from school.
